Kristine:  
I left a few voice messages for you and Chip over the last two days regarding some questions I have for the project (e.g., related to EPA's upcoming responses to our Key FS Elements check-in, and our monthly PH Managers meetings). I understand from Chip's voice mail prompt that he is out of the office until July 11th (I was unaware he was going to gone during this time period). When you get a chance please call me so I can get a some clarity on a few key questions I have regarding these issues.

Thanks,
